

TERMS AND CONDITIONS

Use of BSRIA test certificates, reports and logo

These terms and conditions have been prepared so that the use of BSRIA name or logo has real value to those who get their products tested at BSRIA whilst at the same time to protect inappropriate use of the same.

GENERAL CONDITIONS, USE OF CERTIFICATES, REPORTS, AND COPYRIGHT

1. All BSRIA test certificates are valid for 3 years and have an expiry date.
2. Every BSRIA test certificate and report has a unique number that will also appear on the BSRIA test certificate logo when used by customers. The logo also has BSRIA web address to make it traceable to BSRIA.
3. All valid test certificates are hosted for free on the BSRIA web site.
4. In addition reports will be hosted on the BSRIA web site if the customer wants to use the text from the report with the BSRIA logo referring to the report in which case the client can do it only if the report is also on the BSRIA web site.
5. BSRIA shall retain copyright in all reports and certificates delivered in whatever form unless otherwise agreed in writing.
6. BSRIA reports and certificates must not be reproduced or published except in full
7. To quote extracts, the clients need a written approval of an executive director of BSRIA and such approval will not be withheld unreasonably.
8. The extracts are only intended to be used within the context described in the original text.
9. BSRIA agrees to hold all information provided by the client confidential where the client so specifies, save where such information is known to BSRIA already, or exists already in the public domain.

USE OF BSRIA TEST CERTIFICATE LOGO

10. The logo can only be used whilst the client has a valid BSRIA test certificate (or report if the certificate was not issued)
11. Logo will include the certificate/report number and BSRIA web address where they can be traceable so for that purpose the certificate (or the report) has to be on the BSRIA web site too.
12. The BSRIA logo can only be used by the customer whose name is on the certificate (or report)
13. The logo is to be used as a statement of fact that BSRIA has tested the product
14. The logo must not be used either to endorse or imply endorsement of the products and/or services without the prior written consent of a BSRIA Director.
15. Customers can use the logo on their web sites on the relevant page featuring the tested product.
16. Customers can use logo on their relevant publicity material featuring the tested product. The customer will send a draft of the promotional material to BSRIA for approval before printing of the final copy
17. If printed in colour, the BSRIA logo colours are: Light Blue = Cyan; Dark Blue = PMS 2757; Blue; CMYK mix = C100% M79% Y0% K27%
18. The logo can be used with the text: "Tested by BSRIA". The use of any other text with the BSRIA logo must be approved by BSRIA
19. Any reprinting or other cost incurred as a result of the removal of the logo if used incorrectly is the sole responsibility of the customer using the logo.
